Re: Docket No. 2008-0115 – In Re. Molokai Public Utilities, Inc., Wai'ola O Moloka'i, Inc.,
and MOSCO, Inc. for Temporary Rate Relief

Dear Mr. Nicholas:

It is the Commission's understanding that, assuming Molokai Public Utilities, Inc. and Wai'ola O Moloka'i, Inc. are granted temporary rate increases, MOSCO, Inc. does not require any increase in its current rates. That understanding is based upon representations by Mr. Daniel Orodener at the Status Conference held on July 2, 2008, and Molokai Properties Limited, dba Molokai Ranch in its Motion to Modify Order of June 23, 2008 Directing Molokai Properties Ltd. to Participate in Docket No. 2008-0115.

If the Commission's understanding of the above is incorrect, please advise the Commission in writing immediately. That writing should include a detailed explanation of the temporary rate relief that MOSCO, Inc. requires to continue its operations for the period set forth in the Commission's order and all records supporting the requested increase.

Sincerely,

Kaiulani Kidani Shinsato
Commission Counsel
